

GET INVOLVED

WHAT?

Join the Career Awareness Committee

WHY?

To bring awareness to the exciting and sustainable career opportunities in the energy industry

HOW?

Build Partnerships

Increase Committee Engagement

- Identify education and industry partners
- Establish mission and goals
- Schedule quarterly meetings
- Develop communication plan

Plan Careers in Energy Week

Develop an impactful event plan

- Plan events for Careers in Energy Week
- Communicate opportunities to key stakeholders
- Develop event blueprint for broad implementation

Think Forward

Building programs and broadening reach

- Build network of education/guidance stakeholders
- Target athletic directors for careers with physical acuity
- Plan engaging Career Event/Fair
- Engage industry partners to share career awareness opportunities broadly
